FOR IMMEDIATE RELEASE:

## Photos of Area Veterans Requested

CANAL WINCHESTER – The Village of Canal Winchester is asking residents to send in photos of friends and family members who have served or are currently serving in the armed forces for a display the month of November in honor of Veteran's Day.

Photos should show veterans or active military personnel in uniform, be no larger than 5x7 and include the following information on the back:

- Name
- Branch of service
- Years served
- Phone number for any follow up questions

Residents should send photocopies rather than originals as all photos will be kept for displays in future years. Photos from last year are still on file and will be used again this year. There is only enough space to include one photo per person.

The pictures should be sent to the Municipal Building at 36 S. High St., where they will be put on display the entire month of November. The deadline to send in photos is October 26.

Veteran's Day is a time to recognize those who have risked their lives for their country and the display board offers the opportunity for Canal Winchester and its residents to show their appreciation.

For any questions, please contact Carrie Hoover at [choover@canalwinchesterohio.gov](mailto:choover@canalwinchesterohio.gov) or 614-834-9727.
